

EIS Interface Change FAQs

In October 2016, we changed the EIS interface slightly.

Q: How do I do Batch Updates now?

A: There is a Batch Update button. If you click it, the usual Batch Update options will appear.

Q: How do I edit individual items? You used to click on the Equipment ID, but now you can't.

A: There is an icon to click under the column labeled "Edit."

Edit	Update	ID	Manufacturer	Model
			Apple	MacBook Pro
